Administrative Office Is Center Of School

At the head of the administrative office is Mr. Kenneth D. Young. This marks the second year that he has served our school as principal.

Mr. Alfredo Mireles, Mrs. Joyce Stone, Mrs. Yolanda Gonzalez, Miss Evangelina Sanchez, and Mrs. Sharron Rippey give valuable services to the administration.

Mr. Robert Matzig serves as Dean of Boys.

Mrs. Bertie Gallaway resigns after working with school system for 20 years. She has been Registrar and Dean of Girls for the last 2 years.

Counselors

Mrs. Patricia Risser

The counselors are kept busy all year. Between arranging students' records and administering important tests, they find time for individual, as well as group, counseling.

Mrs. Risser helps juniors and seniors determine appropriate courses, careers and colleges.

Mr. Boston works with freshmen and sophomores in choosing their curriculum and gives academic, as well as personal advice.

Mr. Benson, who is the vocational counselor, gives occupational and training information to any student who needs such aid.

National Honor Society recognizes achievement

Honor Society members are considered to have such qualities as strong scholastic ability, leadership, and strength of character that qualify them for membership in the Society. The top 10% of the Junior Class and the top 15% of the Senior Class are chosen as members. N.H.S. promotes scholastic improvement and provides a high standard that leads the student body. The group holds installation exercises in fall to initiate new members. Money-making projects such as selling fruit cakes are organized for their annual scholarship.

The Varsity Cheerleaders of Del Rio High School for 1970-71 proved to be one of the most exciting and skillful squads ever. After winning an overall "excellent" rating at a summer camp with rigid competition, the girls proved their abilities at the games and pep rallies to follow. The high point of the football season was reached when the girls were invited to lead cheers at a Houston Oiler game in the Astrodome. The Cheerleaders annually organize the Powder Puff football game to raise funds for the next years' cheerleading squad. Each year the cheerleaders are chosen by popular vote.

Wildcat Band

The Del Rio Wildcat exhibited the spirit that made them a No. 1 band. Band members found themselves working hard during early morning practices so that Friday night during half time there would be no flaws in the program. Sweepstakes was among one of the honors the band won, at UIL competition this year. Adding to the club's honors was Linda Hargrove who earned a position on the All-State Band. The newly organized Stage Band specializes in popular music and often entertained the students at assemblies. The directors for the band were Mr. Garcia and assistant director Mr. Hernandez.

Pride In Our School

One of the most enthusiastic pep squad organizations of South Texas is in Del Rio High School. The Wildcatettes, in 1970-71, number among the largest squads in the history of the school. They always have plenty of pep and enthusiasm, to help boost school spirit. This organization has been very loyal to all our Wildcats and has helped very much in the entertainment of our crowds at football games, assemblies, pep rallies, and various other school activities. They are commended for their extreme loyalty on all occasions.

Astrodome performance created a grand finale for Del Rio Dolls

In the spring of 1967, the Del Rio Dolls were formed and have since been an integral part of the activities of Del Rio High. Doll members are selected not only for looks and dancing ability but for academic and citizenship rating as well. Because the girls are required to try out for every performance only those that are letter perfect are allowed to perform. At Thanksgiving this year, the Dolls gave an outstanding performance in the Astrodome before a stadium crowd of some 40,000 fans for the Houston Oilers pro football game.

Future Homemakers Of America

The Future Homemakers of America is a national organization for secondary school homemaking students. Members wish to promote better personal, family, and community life. In addition to regular meetings, members are encouraged to contribute their time and energies to financial and community service projects.

Among the projects for this year, the club members planted a tree and sold homemade cookies and candy. Five members attended a FHA convention at Austin. Besides the installation of officers ceremony and end-of-the-year party, the club had interesting guest speakers at their meetings.

This could very well be a FUTURE Teacher!

The Future Teachers of America offers students an excellent opportunity to learn about teaching and education. The Del Rio Chapter is affiliated with the Texas State Association and the Texas State Education Association.

Members must maintain an overall academic average of 75 or above and attend all regular meetings. Besides trying to encourage qualified men and women to enter teaching careers and work in related fields, the organization provides information on vocational opportunities in education.

Sports

Del Rio has

disappointing season

Del Rio Wildcats, struggling through a rough season, were unable to keep up a constant offense against rival teams. While the Wildcats often gained more yards than their opponents, they always trailed in points.

LEFT: Jerry Lee attempts a long pass against El Valle.

BELOW: Turi Ramirez runs behind his blocker David Hernandez, against Crystal City.

For the Wildcats, it was a very long and frustrating season. From the first game with Hondo to the last one with San Felipe our team tried hard to obtain that first win, but could not succeed.

But,

Even though we were unable to score one touchdown, our offense and defense proved they were the tougher. While our defense stopped San Felipe's game plan, our offense wandered up and down the field, picking up yards but no points.

Wildcats have winning season

Del Rio lead by our two all-district players Bruce Massey and Robert Martinez put together a winning season. After a promising start with victories over Comstock, Ozona, and Austin Lanier, we met the State champs and our first defeat.

Wildcats win city championship

The Wildcats chances of winning district were good until ace player Bruce Massey was injured in a game against Comstock, which was right before district play. The Wildcats had a good district record, but it was not good enough to match the hilltoppers from Kerrville.

LEFT: Raul Seledon gets a free shot against Laredo.
BELOW: Bruce Massey easily outjumps his opponent from Laredo.

District play brought on tougher competition for the Wildcats. The end of the season found the Wildcats tied for second place.

When the season was finally over, the Wildcats were the proud City Champs. The Wildcats won 2 out of 3 contests between San Felipe and thus proved to be the real City Champs.

Wildkits win 13-AAA Championship

Both Del Rio and Uvalde ended regular play with a 5-1 record. The Wildkits then went on to beat the Coyotes 47-45 for the 13-AAA District title.

Led by Judy Bruce the Wildkits were able to win many games by their superior speed. After district the Wildkits were once again matched against the Stingarettes from Victoria.

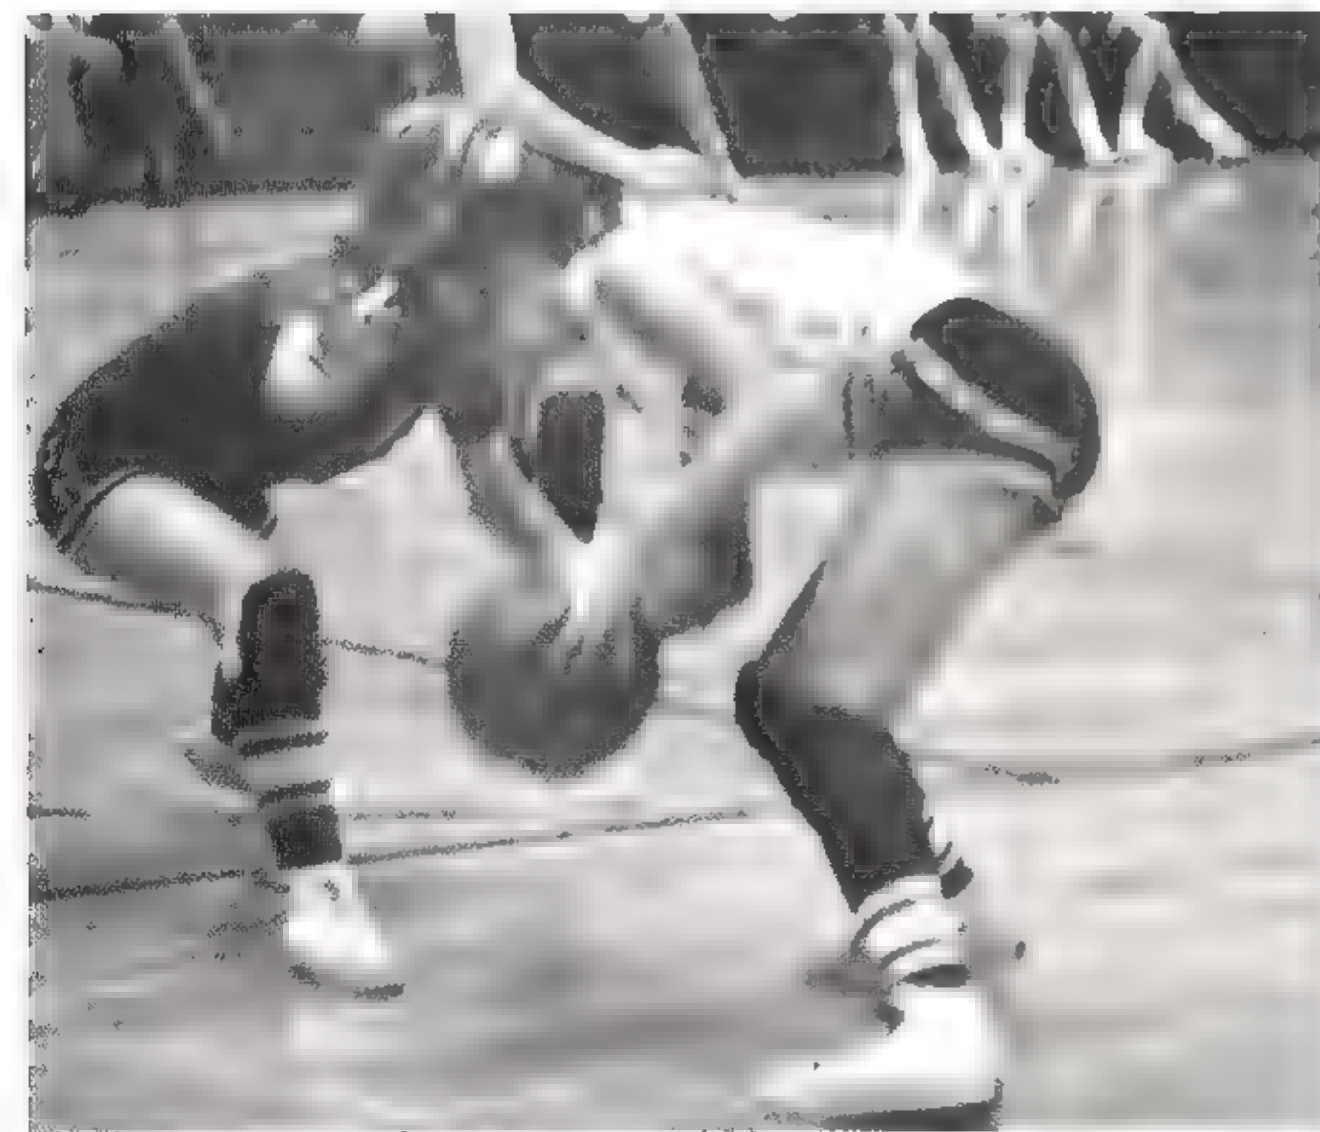

In bi-district the Wildkits met the same team that had defeated them the last two years. The Stingarettes were once again too tall and swift. Taking advantage of their height and the Wildkits lack of it they were easily able to defeat the Wildkits.

Finish second in district

Coach Levermann's speedsters once again had an outstanding season. Possessing great talent in the speed events, the thinclads were able to capture second in the Fredricksburg, Queen City, and Regional relays.

Led by Dennis Rowland in the 100 and 220, and the 440 yard relay team of Rowland, Land, Rathuff, and Garcia, the Wildcats completely dominated the short stuff. Their lack of muscle in the field events held them back from first place in three consecutive meets.

ABOVE: Track team loafs a little before work out.
 RIGHT: Junebug sets his eyes on victory.
 BELOW: Coach Kirchner teaches the fundamentals to our only two discus throwers.

Representing the Wildcats in State were Dennis Rowland in the 100 and 220, and the 440 yard relay team. The Queen City Comet ripped off a 9.7 in the 100 that was good enough for second. In the 220 Rowland and Wilson of Odessa were both timed in a new conference record of 21.2. The crowd declared Rowland the winner but the officials gave him second. Tragedy also struck the 440 yard relay; after finishing with a tremendous 41.8 the Wildcats were disqualified for passing out of zone.

 LEFT: San Felipe player put out at first base by Jerry Lee.

The abundance of errors caused by the lack of experience was the major factor behind the poor season suffered by the Wildcats. Led by the fine pitching and hitting of Cesar Sotelo and Jerry Lee, the Cats were often ahead in scoring, but infielding errors would usually cost them the game.

The Wildcats ended the season with 7 wins and 14 losses. In district play they finished with a disappointing 1-7 record. They won their only game 3-2 against San Felipe.

Tennis team finishes third

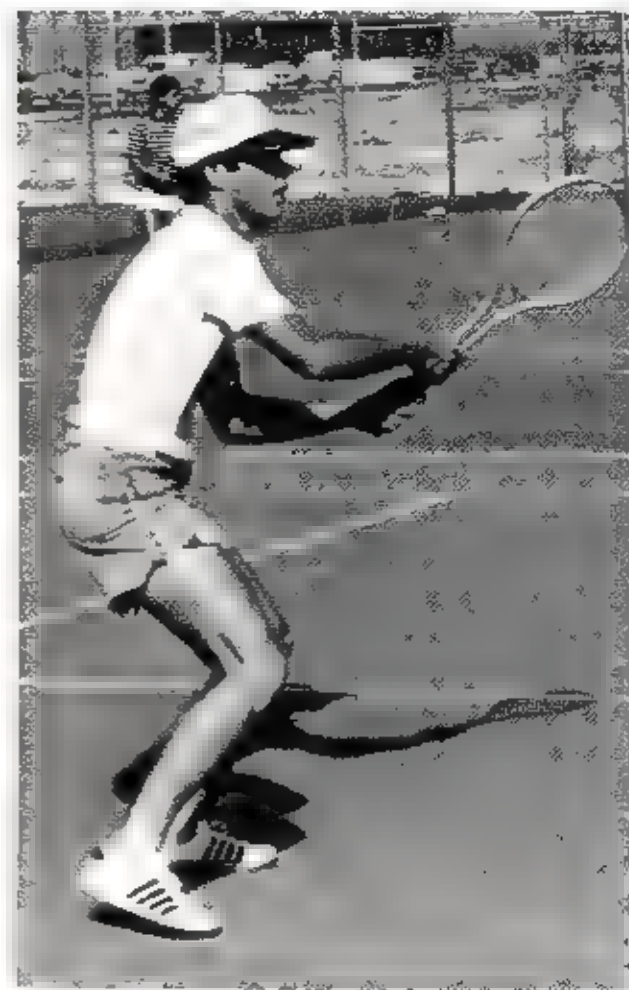

In Coach Granado's first year, the Wildcat Tennis Team was able to capture third in District. In District competition, in San Antonio, Joel Park advanced to the finals in singles competition. James White and Cliff Dickhut, playing in the doubles competition, were also able to reach the semi-finals.

The Tennis team practiced at least two hours, every day after school and participated in four out-of-town tournaments. Next year, every member will be back to play once again. The Wildcats gained a lot of experience that should produce a first class team next year.

Linksters Capture Third

After a fine season the Wildcat golfers were able to capture third place in district competition. Cy Cates, first medalist, led the Wildcats with a 78.

Under the direction of Coach Brown, the Wildcats captured third place in Eagle Pass, fourth in Sweetwater, and second in Kerrville.

Spurred by the spirit of competition, Seniors show lower classmen and Juniors what real spirit is.

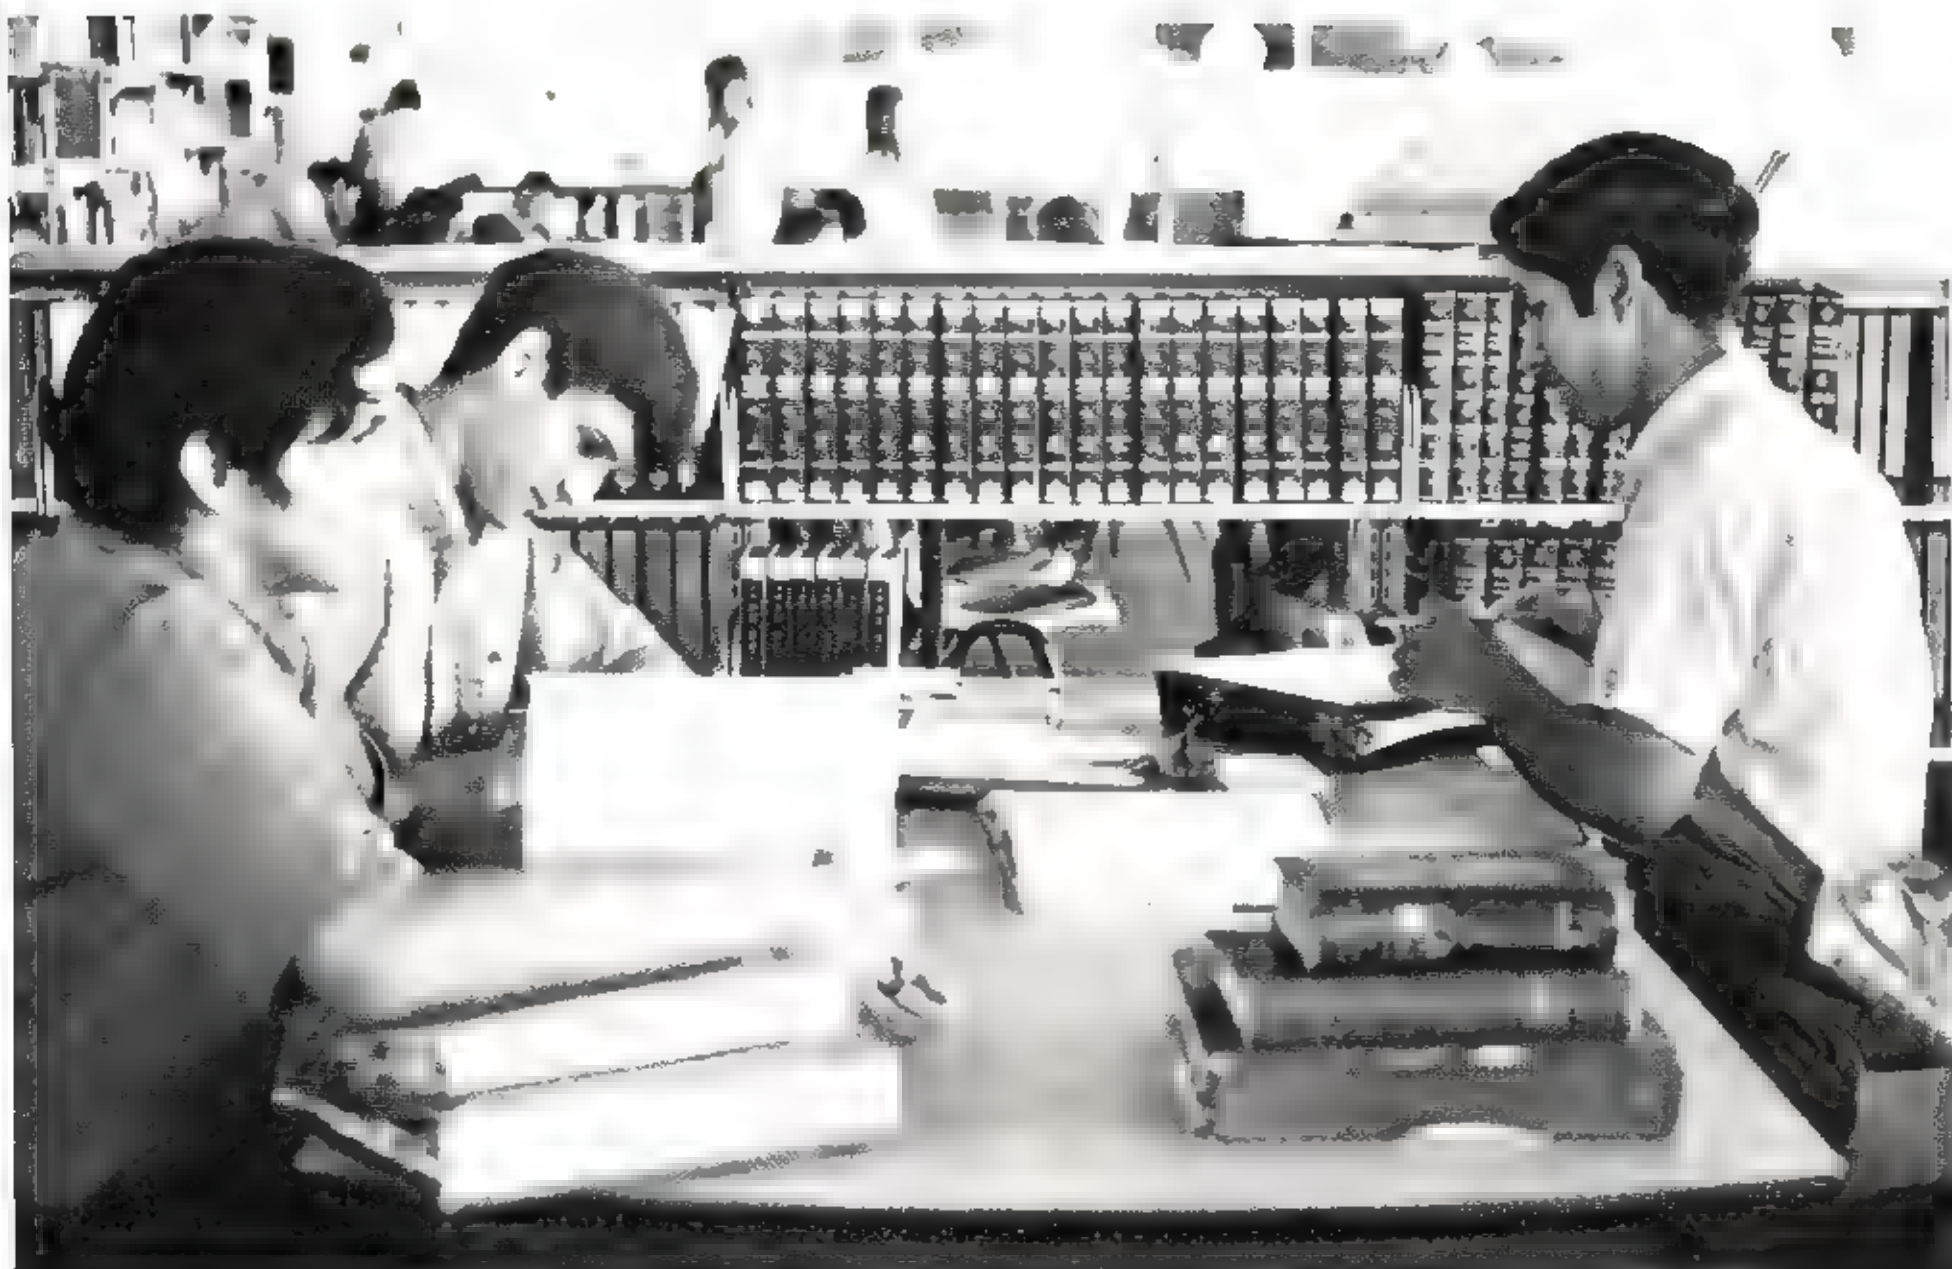

"Look ma no hands! ! ! !"

Tanya Lemon reads the winning essay during class competition.

Senior spirit is unbelievable!!!

Seniors use study hall to catch up on last night's neglected homework.

"I want YOU to clean up this mess'!!!!"

The Seniors went on the annual picnic to Garner State Park on May 3, 1971. Despite the fact that the time spent at Garner was not more than a few hours, Seniors took advantage of such activities as swimming, riding on paddle boats, bicycle riding, eating and mountain climbing. Seniors might have returned tired and sunburned but with lots of happy memories to cherish

Some Seniors enjoyed the peacefulness and beautiful scenery at Garner while others couldn't resist the temptation of freedom from strict control.

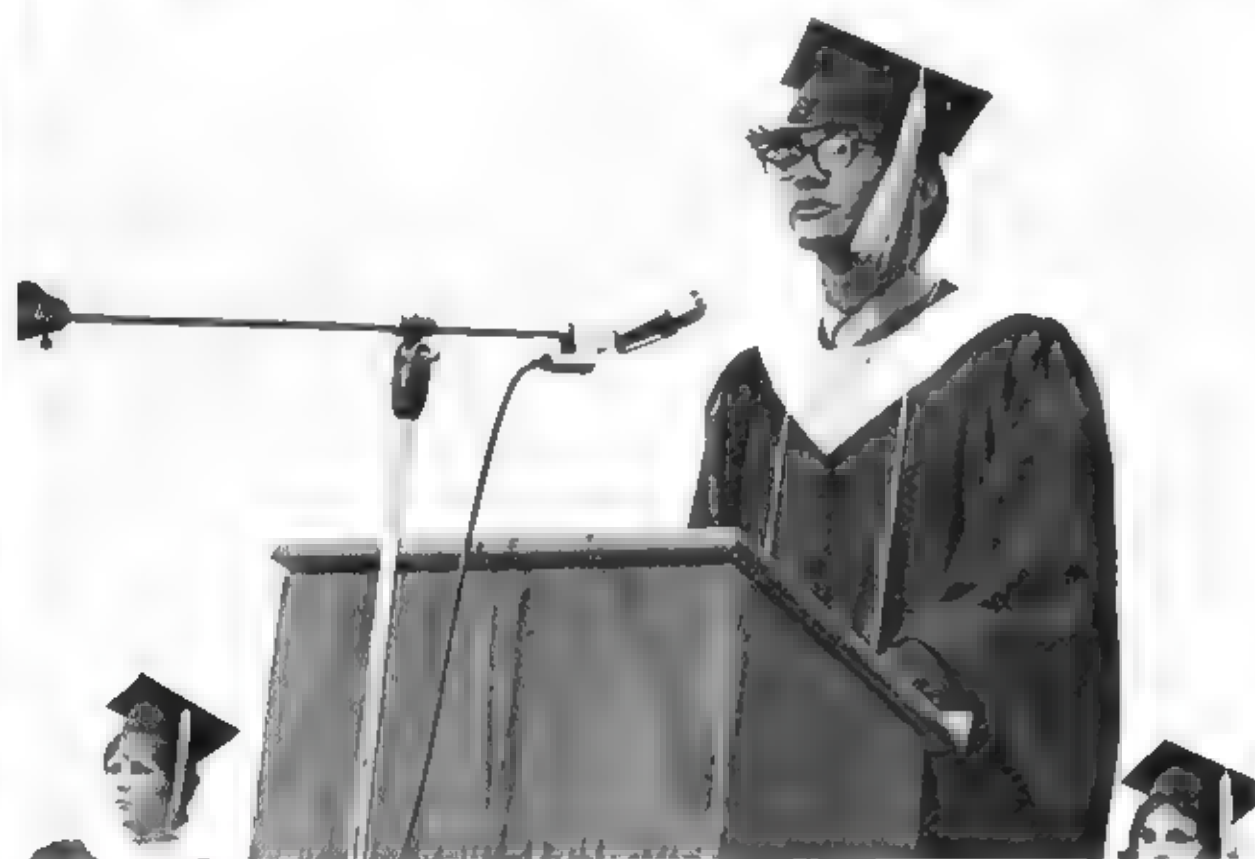

Susan Lowry delivers her valedictory speech. Susan had the highest average in the Senior Class of 1971.

Ann Madison delivers her salutatory speech. Ann had the second highest average in the Senior Class of 1971.

Leslie Halamicek had the third highest average out of 216 Seniors. She started the commencement exercises with the invocation.

Bill Davis had the fourth highest average. He was master of ceremonies at the commencement exercises.

Debbie Patterson had the fifth highest average. She read the passage from the Scripture at the commencement exercises.

On Wednesday, June 2, 1971, the Senior Class of 1971 held their commencement exercises in Wildcat Stadium. The main speaker of the evening was the Reverend Mr. William S. Caldwell. He advised the graduating class to be prudent and wise in their choosing of a way of life. Also speaking was Mr. Young, Del Rio High School principal, and scholarships were presented. Susan Lowry gave the valedictory address and Ann Madison gave the salutatory address. This year 216 Seniors graduated.

Ruben Rodriguez receives a scholarship given to him by the National Honor Society. Ralph Guerra also received a scholarship. (Not shown)

Dora Cantu closes the commencement exercises with the benediction.
